

Says

What have we heard them say?  
What can we imagine them saying?

We are contingency, retained search and executive search headhunters specialising in premium and luxury fashion. We work with global brands and businesses across the fashion and creative industries to build structures and cultures, define job roles and hire high calibre candidates invested in helping them meet and exceed their business goals.

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

In supporting positive evolution, we partner with start-up, emerging and established businesses including ethical and sustainable brands, innovators and tech start-ups who are prioritising purpose alongside profit as a force for good.
